What we all do and practice every day as homeopaths is taking information about the patient, in order to find the appropriate remedy.

The information is taken from the 3 well known sources:

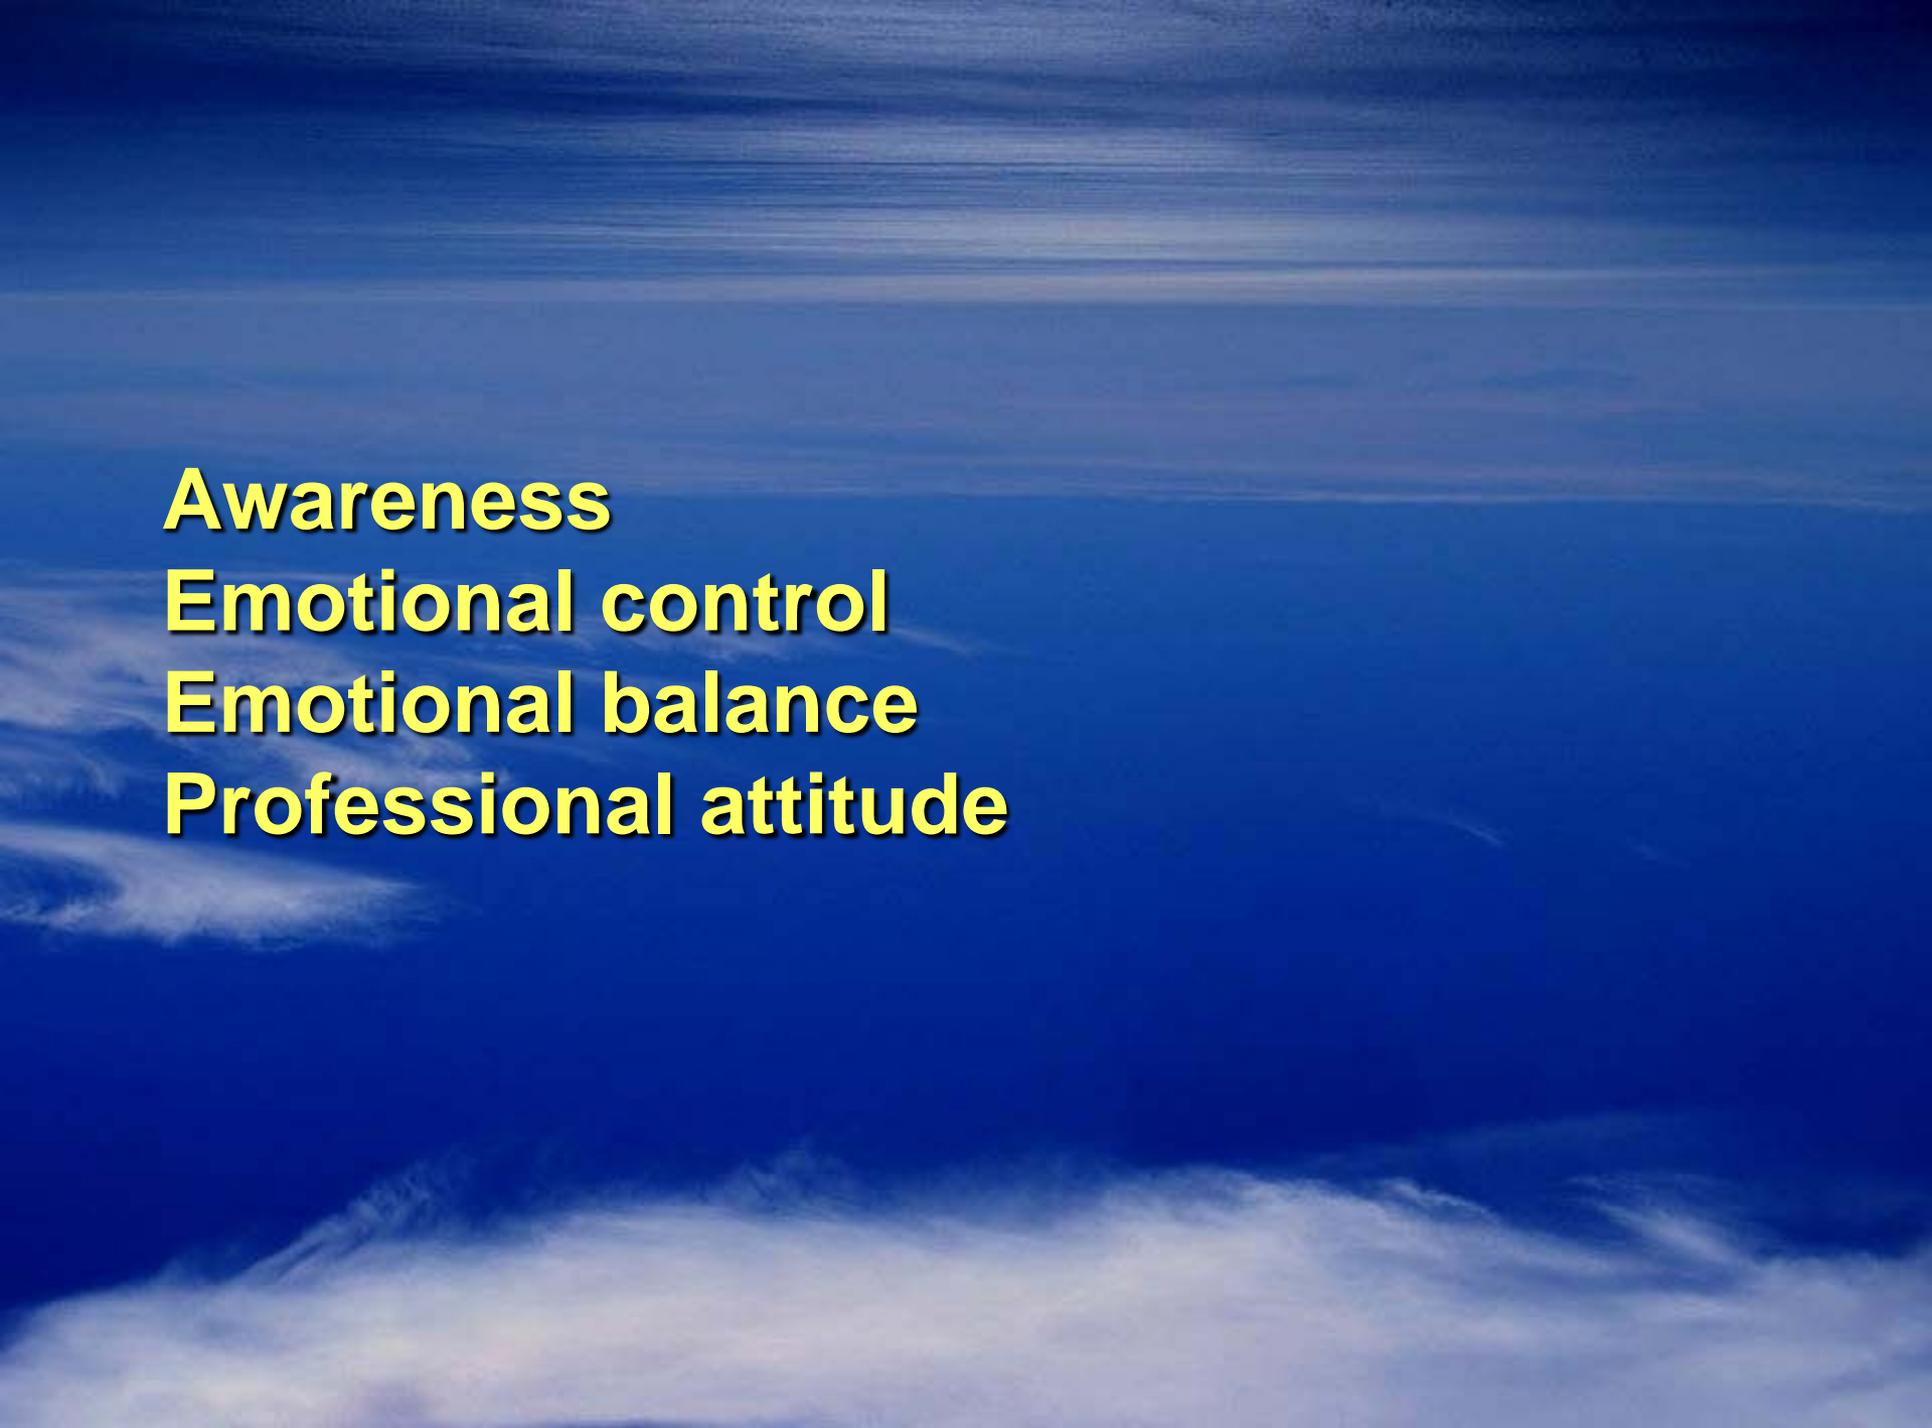

- the patient
- his own people
- OUR observation UPON the PATIENT

**We are going to examine how it is possible
to take and use information ABOUT the
PATIENT observing OURSELVES**

A background image of a clear blue sky with scattered, wispy white clouds. The text is centered in the middle of the frame.

‘THERAPEUTIC RELATIONSHIP’

A background image of a clear blue sky with soft, wispy white clouds scattered across it. The text is overlaid on the left side of the image.

Awareness

Emotional control

Emotional balance

Professional attitude

**Knowing the Pattern of T.R. each 'remedy'
tends to create**

**Detecting the Quality of T.R. each patient
induces**
